Additional Funding Information

We stretch funded hours across 50 weeks of the year. This means you receive a maximum of 11.4 hours per week for the 15 hours scheme, or 22.8 hours per week for the 30 hours scheme.

If you require any additional hours over and above the funded entitlement these will be charged at our standard rate (please refer to the standard childcare fees listed on page 1).

For every funded session, we ask parents to contribute towards meals and all consumables such as nappies, wipes and sun cream (where applicable); as these are not covered by the funding we receive.

Please note: To remain eligible for the 30 hours scheme, parents must reconfirm their eligibility with HMRC every 3 months, or when prompted.
